Tunisian Tuna & Sardine Canned Products

Benefiting from the riches of the Mediterranean, Tunisia has one of the oldest canning sectors in the Mediterranean basin, with origins dating back to the early 19th century.

A century-old tradition, a strategic sector for the Tunisian economy

A diversified industrial fabric

- 12 mixed units (tuna & sardine)
- 7 specialized units (tuna or sardine)
- 14 units dedicated to anchovies

A structuring employment driver

- ≈ 4,500 direct jobs
- Up to 20% supervisory rate
- Thousands of indirect jobs in:
 - * Fisheries
 - * Logistics
 - * Associated services

Modernized expertise

- Combining tradition and innovation, Tunisian canneries have integrated:
 - * Modern production lines
 - * Strict sanitary standards
 - * Compliance with international requirements
- √ 26 units approved for export to the European Union
- √ Certifications: ISO 9001, ISO 22000, QHSE systems

33 processing units distributed along the entire coastline (North, Center, and South)

strongly export-oriented industry
